

A black Nintendo Switch console and its Joy-Con controllers are displayed on a wooden surface. The console is in the background, and the Joy-Con controllers are in the foreground. The text 'NINTENDO SWITCH' and '2' are visible on both. A large white circle with a black border is overlaid on the right side of the image, containing the main text. There are also several smaller colored circles (green, purple, yellow) scattered around the main circle.
