Adventure Awaits!

The Kookoon Saga e-reader will immerse you into a deep reading experience, full of epic stories and discoveries.

Thanks to its unique and colourful design, the Kookoon Saga will be your stylish partner wherever you go. You can easily carry it in your pocket or handbag since it is a stockproof e-reader which matches your lifestyle. With its light weight, capacity of thousands of e-books and weeks of autonomy, your Saga will prevent any reading slump during your journey. Thanks to the E-Ink and FrontLight technologies, your reading experience will be easy on the eyes day and night.

Your new reading partner is covered in a alluring soft-touch smart cover, the perfect combination of technology and elegance.

Now it is time for you to turn the first page of your big adventure!
